

Bachelor Boy by Cliff Richard

C **F** **Dm**

When I was young my father said

G7 **C**

"Son I have something to say"

F **Dm**

And what he told me I'll never forget

G7 **C**

Until my dyin' day.

C **Dm**

He said "Son you are a bachelor boy

G7 **C**

And that's the way to stay.

Dm

Son, you be a bachelor boy

G7 **C**

until your dyin' day

C **F** **Dm**

When I was sixteen I fell in love

G7 **C**

With a girl as sweet as could be.

F **Dm**

But I remember'd just in time,

G7 **C**

What my daddy said to me.

C **Dm**

He said "Son you are a bachelor boy

G7 **C**

And that's the way to stay.

Dm

Son, you be a bachelor boy

G7 **C**

until your dyin' day

C **F** **Dm**

As time goes by I probably will

G7 **C**

Meet a girl and fall in love

F **Dm**

Then I'll get married have a wife and a child

G7 **C**

And they'll be my turtle doves.

Dm

But until then I'll be a bachelor boy

G7 **C**

and that's the way I'll stay,

Dm

Happy to be a bachelor boy,

G7 **C**

Until my dyin' day.

Dm

But until then I'll be a bachelor boy

G7 **C**

and that's the way I'll stay,

Dm

Happy to be a bachelor boy,

G7

Until my dyin' day.
