Both Sides Now

[Verse 1]

```
 G          Am       C      G
Rows and floes of angel hair
        G           Gmaj7   C       G
And ice cream castles in the air
   G          C         Am
And feather canyons everywhere
     Am7                   D
I've looked at clouds that way
      G          Am     C        G
But now they only block the sun
         G        Gmaj7    C      G
They rain and snow on everyone
 G             C         Am
So many things I would have done
       Am7               D
But clouds got in my way
```

[Chorus 1]

```
        G                       C          G
I've looked at clouds from both sides now
       C     G         C        G
From up and down, and still somehow
      Bm        C        G
It's cloud illusions I recall
     C               D    D7     G      C  G C  G C  G C  G C  G
I really don't know clouds at all
```

[Verse 2]

```
 G          Am        C       G
Moons and Junes and ferris wheels
   G         Gmaj7    C       G
The dizzy, dancing way you feel
   G        C               Am
As every fairy tale comes real
     Am7                 D
I've looked at love that way
```

```
    G         Am     C        G
But now it's just another show
   G         Gmaj7   C        G
You leave 'em laughing when you go
 G            C          Am
And if you care don't let them know
 Am7                    D
Don't give yourself away
```

[Chorus 2]

```
     G                    C          G
I've looked at love from both sides now
     C       G      C        G
From give and take and still somehow
     Bm         C       G
It's love's illusions I recall
   C                 D   D7      G     C  G C  G C  G C  G C  G
I really don't know love at all
```

[Verse 3]

```
  G        Am       C        G
Tears and fears and feeling proud
   G        Gmaj7      C          G
To say, "I love you" right out loud
G            C             Am
Dreams and schemes and circus crowds
     Am7                   D
I've looked at life that way
 G         Am         C        G
But now old friends are acting strange
     G           Gmaj7        C        G
They shake their heads, they say I've changed
     G          C         Am
Well something's lost but something's gained
Am7              D
In living every day
```

[Chorus 3]

```
     G                    C          G
I've looked at life from both sides now
     C       G      C        G
From win and lose and still somehow
     Bm         C       G
It's life's illusions I recall
   C                 D   D7      G     C  G C  G C  G C  G C  G
I really don't know life, at all
```

[Extra Chorus]
```
     G                    C          G
I've looked at life from both sides now
     C       G      C        G
From up and down and still somehow
     Bm         C       G
It's life's illusions I recall
   C                 D   D7      G     C  G C  G C  G C  G C  G
I really don't know life, at all
```
