

Billy Conoly - D.I.V.O.R.C.E

G C G
Our little dog is six years old, and he's smart as any damn kid.

A D
But when you mention the V.E.T. he damn near flips his lid.

G C G
Words like S.H.O.T. shot or W.O.R.M. worm,

C G D G
These are words which make him S.Q.U.I.R.M. squirm.

G C G
His Q.U.A.R.A.N.T.I.N.E starts today,

A D
Coz he bit the V.E.T. and then he ran away.

G C G
He caused me and my wife to have a big fight, and then, both of them bit me.

C G D G
And that's why I am gonna get a D.I.V.O.R.C.E.

G C G
She shouted "get him Rover," and he jumped over, and bit my L.E.G.

A D
She sank her teeth in my B.U.M. and called me an effin C.

G C G
Well I'm telling you, that was my cue, to get O.F.F.-ski

C G D G
And I'm going down to the town tonight to get a new B.I.R.D.

G C G
Oh yes his Q.U.A.R.A.N.T.I.N.E starts today.

A D
Both my wife and my wee scabby dog will soon be hauled away.

G C G
That's why I spell out all these words, so as my dog can't hear.

C G D G
Oh I must admit that dog is acting Q.U.E.E.R. queer.

C G D G
Oh, I must admit my dog is acting Q.U.E.E.R. Queer.
