

Hello Josephine

G

Hello Josephine how do you do

C

Do you remember me baby

G

Like I remember you

D7

G

You used to laugh at me and holler Woo Woo Woo

N.C.

I used to walk you home

I used to hold your hand

C

You used to use my umbrella

G

Every time it rained

D7

You used to cry so much

C

G

It was a crying shame

N.C.

You used to live over yonder

By the railroad tracks

C

When it rained you couldn't walk

G

I used to tote you on my back

D7

Now you try to make believe

C

G

It wasn't no deal like that
