                                         But it's raining,  raining in my heart
     C                 E7
The sun is out, the sky is blue          F E7 Am C7
        Am              C7
There's not a cloud to spoil the view         F         G7          C    G7
        F        G7        C    G7       And it's raining,  raining in my heart
But it's raining,  raining in my heart

     C                E7                  Dm       F       Am Am7
The weather man says clear today          Oh, misery, misery
   Am                    C7              Dm               F     G  G7
He doesn't know you've gone away         What's gonna become of me?
        F        G7        C
And it's raining,  raining in my heart     C                   E7
                                         I tell my blues they mustn't show
Dm       F       Am Am7                      Am                  C7
Oh, misery, misery                       But soon these tears are bound to flow
Dm               F     G  G7                       F         G7          C    G7
What's gonna become of me?               'Cause it's raining,  raining in my heart

   C                   E7                                C    G7
I tell my blues they mustn't show        Raining in my heart
   Am                  C7                                C    G7 C
But soon these tears are bound to flow   Raining in my heart
