

Long Live Love by Sandie Shaw  
#1 in UK in '65

INTRO:

**C** **F**  
Venus must have heard my plea,  
**C** **G** **C**  
She has sent someone along for me.

#1.

**C**  
I have waited a long, long time,  
**G**  
For somebody to call mine.

And at last he's come along,  
**C** **C7**  
baby, oh, nothing can go wrong.

CHORUS:

**F**  
We meet every night at eight,  
**C**  
And I don't get home till late.  
**G**  
I say to myself each day,  
**C**  
baby, oh, long, long live love.  
**G C G G7 C**

Mmmm.

#2.

**C**  
True love must be the greatest thing,  
**G**  
I know now why singers sing,  
Of the moon and stars above,  
**C** **C7**  
How I love to be in love.

CHORUS:

#3.

**C**  
Now of one thing I'm more than sure,  
**G**  
Since love come I don't want more,  
Than to kiss him every night,  
**C** **C7**  
Makes everything alright.

CHORUS: (x2)

ADD:

**G C**  
Mmmmm...Long, long live love.
