

Mack The Knife

Well, the [C] shark has, [C6] pretty [Dm] teeth dear, [Dm7]
And he [G] keeps them, [G7] pearly [C] white.
Just a [Am] jackknife, [Am7] has old Mack [Dm] Heath dear, [Dm7]
And he [G] keeps it [G7sus4] [G7] out of [C] sight. [G7]

When the [C] shark bites, [C6] with his [Dm] teeth dear, [Dm7]
Scarlet [G] billows, [G7] start to [C] spread.
Fancy [Am] gloves though, [Am7] wears old Mack [Dm] Heath dear, [Dm7]
So there's [G] never, [G7sus4] [G7] a trace of [C] red. [G7]

Sunday [C] morning, [C6] on the [Dm] sidewalk, [Dm7]
Lies C [G] body, [G7] oozing [C] life.
And some one's [Am] creeping, [Am7] around the [Dm] corner, [Dm7]
Could that [G] someone [G7sus4] [G7] be Mack the [C] knife? [G7]

From a tug [C] boat, [C6] on the [Dm] river, [Dm7]
A ce- [G] ment bag's, [G7] dropping [C] down.
The ce- [Am] ment's just, [Am7] for the [Dm] weight dear, [Dm7]
Five 'll get you [G] ten, [G7sus4] [G7] old Mackys' back in [C] town. [G7]

Louis [C] Miller, [C6] disap- [Dm] peared dear, [Dm7]
After [G] drawing, [G7] all his [C] cash.
And old Mack [Am] Heath spends, [Am7] like a [Dm] sailor. [Dm7]
Did our [G] boy [G7sus4] [G7] do something [C] rash? [G7]

Suky [C] Tawdry, [C6] Jenny [Dm] Diver, [Dm7]
Look out Miss [E] Lotte Lenya, [E7] and old [A] Lucy Brown.
Well, the [F#m] line forms, [] on the [Bm] right girls, [Bm7]
