

Fred Wedlock-Oldest Swinger In Town (live)

C G C
When you're scoring with a chick in a disco bar,
F Am
Take her home in your hairy little car,
C E7 Am F
Then you find you went to school with her ma and pa,
C G
You're the oldest swinger in town.

C G C
When you won't look in the mirror in the light of day,
F Am
Swear you've dyed it when your hair turns grey,
C E7 Am F
When you zip up your trousers and your belly's in the way,
C G C
You're the oldest swinger in town.

C* G
Here you come and there you go,
D G
White wheels, spots, and a stereo,
C E7 Am F
But the engine is clapped and the driver also,
C G C
You're the oldest swinger in town.

C G C
The barber takes a little less time each week,
F Am
The kids don't understand a word you speak,
C E7 Am F
When you walk into a disco and they offer you a seat,
C G
You're the oldest swinger in town.

C G C
You prefer a pint of mild to Bacardi and Coke,
F Am
The sounds are too loud and there's too much smoke,
C E7 Am F
You'd like another dance, but you're afraid you'll have a stroke,
C G C
You're the oldest swinger in town.

C* G
Here you come with your chest all bare,
D G
A little gold ingot and a lot of gold hair,
C E7 Am F
Like the disco king meets Yogi Bear,
C G C
You're the oldest swinger in town.

C G C
When you're feeling as stiff as a skinhead's boot,
F Am
Rub on Vick's where you used to splash Brute,
C E7 Am F
And the latest punk fashion is your wedding suit,
C G
You're the oldest swinger in town.

C G C
When you have to go shopping for your sex appeal,
F Am
Travolta's shades and nine inch heels,
C E7 Am F
They say a man is just as old as the woman he feels,
C G C
You're the oldest swinger in town.

C* G
Here you come with your lips closed tight,
D G
You never smile, you know it wouldn't look right,
C E7 Am F
Cause your dentures glow in ultraviolet light,
C G
You're the oldest swinger in town.
E7 Am F
oldest swinger in town,
C E7 Am F
And you look so mean because your pants are too tight,
C G
You're the oldest swinger in town.

C E7
And it takes you all night,
Am F
To do what you used to do all night,
C G C
You're the oldest swinger in town.
