

The Light In Your Eyes
LeAnn Rimes Album: Blue

C **G** **C**
Life can take your dreams and turn them upside down
C **G**
Friends will talk about you when you're not around
C **Am** **F**
Honesty can really cut you down to size
F **C** **G** **C**
So don't ever lose that light in your eyes
C **G** **C**
Don't ever lose that light in your eyes

C **G** **C**
People make you promises that they'll never keep
C **G**
Soon you'll know why people say talk is cheap
C **Am** **F**
Life is just one big compromise
F **C** **G** **C**
Don't ever lose that light in your eyes
C **G** **C**
Don't ever lose that light in your eyes

F **G**
Keep on shining, keep on smiling
F **Am** **G**
Don't lose faith and don't lose heart
F **G** **F**
When you're crying just keep trying to remind yourself
G
You're a shining star Yes, you are

C **G** **C**
Somewhere down the line you'll face your judgement day
C **G**
When the angels look at you they will say
C **Am** **F**
We've got a way of knowing who qualifies
F **C** **G** **C**
Just let them see that light in your eyes
C **G** **C**
Don't ever lose that light in your eyes

[Outro]

C **G** **C**
Don't ever lose that light in your eyes
C **G** **C**
Don't ever lose that light in your eyes
C **G** **C**
Don't ever lo-oo-se that light in your eyes
