

WE'VE GOT TONIGHT

Kenny Rogers

**G D C D**

I know its late,  
**G D**

I know your weary  
**C D**

I know your plans,  
**G C**

Don't include me  
**G D**

Still here we are,  
**G C**

Both of us lonely  
**G C**

Longing for shelter for all that we see  
**G C G D**

Why should we worry?  
**G C**

No one will care, girl  
**G D**

Look at the stars  
**G C**

So far a way  
**G D**

We've got to night,  
**G C**

Who needs to morrow  
**G**

We've go to night babe,  
**G C**

Why don't you stay  
**G**

Deep in my soul,  
**G D**

I've been so lonely,  
**C D**

All of my hopes  
**G**

Fading a way  
**C G D**

I've longed for love,  
**G**

Like everyone else does  
**C G C**

I know I'll keep searching even after to day  
**G C G D**

So there it is, girl  
I've said it all now  
And here we are, babe  
What do you say

We've got tonight,  
Who needs tomorrow  
We've go to night babe,  
Why don't you stay

[Bridge]

I know it's late, I know you're weary  
I know your plans, don't include me  
Still here we are, both of us lonely  
Both of us lonely

We've got tonight  
Who needs tomorrow  
Let's make it last,  
Let's find a way  
Turn out the lights,  
Come take my hand now  
We've got to night babe,  
Why don't we stay  
We've got to night babe,  
Why don't we stay
