Boom Bang a Bang

Save All Your Kisses For Me

Making your Mind Up

Boom bang-a-bang

G

1. Come closer, come closer and listen,
the beat of my heart keeps on missin'.

I notice it most when we're kissin',

come closer and love me tonight, that's right.

Come closer and cuddle me tight. My heart goes ...

Boom bang-a-bang, boom bang-a-bang, when you are near,

boom bang-a-bang, boom bang-a-bang, loud in my ear.

Pounding away, pounding away, won't you be mine ?

Boom bang-a-bang-bang, all the time.

+ It's such a lovely feeling, when I'm in your arms,
don't go away, I wanna stay my whole life through,
boom bang-a-bang-bang, close to you.

2. Your smile is so warm and inviting,
the thought of your kiss is exciting.
So hold me and don't keep me waiting,
come closer and love me tonight, that's right.
Come closer and cuddle me tight. My heart goes ...

+ CHORUS

+ It's such a lovely feeling, when I'm in your arms,
now you are near, I wanna hear your heartbeat, too,
boom bang-a-bang-bang, I love you.

+ It's such a lovely feeling, when I'm in your arms,
now you are near, I wanna hear your heartbeat, too.
Boom bang-a-bang-bang, boom bang-a-bang-bang,
boom bang-a-bang-bang, I love you.

Though it hurts to go away it's impossible to stay
But there's one thing I must say before I go
I love you (I love you) you know
I'll be thinking of you in most everything I do

Now the time is moving on and I really should be gone
But you keep me hanging on for one more smile
I love you (I love you) all the while
With your cute little away will you promise that you'll save

Your kisses for me save all your kisses for me
Bye bye baby bye bye, don't cry honey don't cry
Going to walk out the door but I'll soon be back for more
Kisses for me save all your kisses for me
So long honey so long, hang on baby hang on
Don't you dare me to stay, 'cause you know I'll have to say

That I've got to work each day and that's why I go away
But I count the seconds till I'm home with you
I love you (I love you) it's true
You're so cute honey gee won't you save them up for me

Your kisses for me save all your kisses for me
Bye bye baby bye bye, don't cry honey don't cry
Going to walk out the door but I'll soon be back for more
Kisses for me save all your kisses for me
So long honey so long, hang on baby hang on
Don't you dare me to stay, 'cause you know You've got to save

Your kisses for me save all your kisses for me
Bye bye baby bye bye, don't cry honey don't cry
Won't you save them for me even though you're only three
