

Help me make it
through the night

D(mute) D D D //
Take the ribbon from your hair
shake it loose and let it fall
layin` soft upon my skin
like the shadows on the wall.
D(mute) D D //
Come and lay down by my side
`till the early morning light
all i`m taking is your time
help me make it through the night.

D(mute) D D D //
Yesterday is dead and gone

G G //
and tomorrow`s out of sight
A A //
and it`s sad to be alone
D D //
help me make it through the night.

D(mute) G G //
I don`t care who`s right or wrong
i don`t try to understand
let the devil take tomorrow
Lord, tonight i need a friend.

D(mute) D D D //
Take the ribbon from your hair
shake it loose and let it fall
layin` soft upon my skin
like the shadows on the wall.
