

Love can build a bridge

I'd gladly walk across the desert with no shoes upon my feet
To share with you the last bite of bread I had to eat
I would swim out to save you in your sea of broken dreams
When all your hopes are sinkin' let me show you what love means

Love can build a bridge, between your heart and mine
Love can build a bridge, don't you think it's time, don't you think it's time

I would whisper love so loudly every heart would understand
But love and only love can join the tribes of man
I would give my hearts desire so that you might see
The first step is to realize, that it all begins with you and me
