

## We'll Keep A Welcome in the Hillside

Intro:      C                      F                      G                      C                      G                                      C

Far away a voice is calling, bells of memory chime,

          G                      C                      G  
Come home again, come home again, they call through the oceans of time.

          C                      G                      C                      Am                      G                      C  
We'll keep a welcome in the hillside, we'll keep a welcome in the Vales,

          F                      Dm                      C                      Am                      G  
This land you knew will still be singing, when you come home again to Wales.

          C                      G                      C                      Am                      G                      C  
This land of song will keep a welcome, and with a love that never fails,

          F                      Dm                      C                      Am                      G                      C  
We'll kiss away each hour of hiraeth, when you come home again to Wales.

          G                      C                      Am                      G                      C  
We'll keep a welcome in the hillside, we'll keep a welcome in the Vales,

          F                      Dm                      C                      Am                      G  
This land you knew will still be singing, when you come home again to Wales.

          C                      G                      C                      Am                      G                      C  
This land of song will keep a welcome, and with a love that never fails,

          F                      Dm                      C                      Am                      G                      C  
We'll kiss away each hour of hiraeth, when you come home again to Wales.
