

Winter's Tale

C G C F
The nights are colder now
Am Am7 F
Maybe I should close the door
C G7 Am
And anyway the snow has covered all your footsteps
F G
and I can follow you no more.
C G C F
The fire still burns at night
Am Am7 F
My memories are warm and clear
C G7 F G7 C F C
But everybody knows it's hard to be alone at this time of year.

C G7 C C7 F
It was only a winter's tale just another winter's tale
C F C G
and why should the world take notice of one more love that's failed
C G7 C C7 F
it's a love that can never be though it meant a lot to you and me
C G G7 C F C
On a world wide scale were just another winter's tale

C G C F
 While I stand alone
 Am Am7 F
 A bell is ringing far away
 C G7 Am
 I wonder if you hear, I wonder if you're listening
 F G
 I wonder where you are today
 C G C F
 Good luck I wish you well
 Am Am7 F
 for all that wishes may be worth
 C G7 F
 I hope that love and strength are with you for the length
 G7 C F C
 Of your time on earth.

C G7 C C7 F
 It was only a winter's tale just another winter's tale
 C F C G
 and why should the world take notice of one more love that's failed
 C G7 C C7 F
 it's a love that can never be though it meant a lot to you and me
 C G G7 C F C
 On a world wide scale were just another winter's tale
